

GREEN BELT MOTOR CLUB

The IPB Motor Services Summer Autocross

Saturday 8th/Sunday 9th July 2006

From the Organisers

Congratulations to the award winners and better luck to everyone else next time.

We would like to thank our Sponsor, Ian Barnard; all the Competitors, especially those from Cramlington & District MC and the MDA for turning out, all marshals for standing out all day; the officials for helping to run the event and to Stephen Wright for the use of the venue.

We look forward to seeing you on 1st October when we are back at Much Hadham, probably on one of Anthony Ashwell's stubble fields.
